

HEMISPHERE

VERSATILE, WIRELESS 15W RGBW BATTERY POWERED FIXTURE

Beam / Wash / Glow

Hemisphere™ is fitted with a 15W RGBW LED with an 8° beam angle, comes with 15° & 30° beam diffusers, and a PC dome cover that can illuminate with an intense, colored glow. It is compact and portable, and it can be easily mounted using its hanging bracket, magnetic base, or kickstand for floor mounting.

Battery Powered + Wireless

It can go anywhere light is needed due to its rechargeable lithium-ion battery that can run for 8 hours (full on), or 16 hours (single color). Hemisphere™ also offers 1-button manual control, wireless connection to the free @Full (At Full) lighting control app, WiFi (ArtNet or sACN), or IR remote (sold separately).

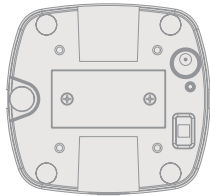

Control Hemisphere™ seamlessly via our official companion app @Full (At Full).
