

PixelStorm™ 240

Get ready, there's a new storm headed your way!

Introducing the PixelStorm™ 240! An attractive 1-meter color/pixel bar fitted with a total of 240 ultra-bright R/G/B 10mm LEDs (96 Red, 72 Green, 72 Blue). It's the perfect R/G/B LED wash fixture with an equally impressive selection of totally cool pixel effects!

Choose from 3/4/7/10/16/24 or 28 DMX channel modes to fully customize your light show and with ease. Use the easy to read 3-button LED display to quickly jump from master/slave settings, built-in stand alone programs, or an amazing sound activate light show.

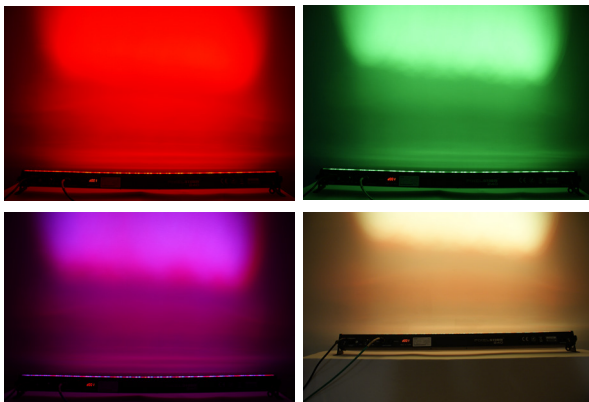

Thanks to the PixelStorm™ 240's flexible DMX architecture, you can start out the night using it as a R/G/B color mixer, then elevate the crowd with a fast paced light show with 2, 4, or 8- segment R/G/B pixel effects. It's easily adaptable, all the way from 3-channel R/G/B color mixing to 28-channel DMX mode with individually controllable 8-pixel R/G/B color mixing plus strobe effects, 25 built-in programs, auto run, and sound active mode!

The PixelStorm™ 240 will give you lots of color for notalotta green!

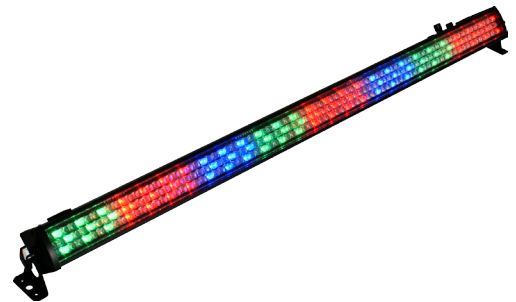

It's an exceptional performer at an exceptional price. And of course, it is also backed by Blizzard's 2-year warranty!
